**Procedure For Online E-Tender:**

- i) The offer should be submitted under two Bid System
- ii) A-Technical Bid (II) B-Price Bid
- ii) **HSWC** is using services of Central Public Procurement Portal for e-Procurement at <https://eprocure.gov.in/eprocure/app>, for appointment of Service Provider for quality assurance & preservation of foodgrains at designated **HSWC** godowns.
- iii) The detailed Tender document along with Instructions to the Bidders for the e-submission of the bids can be viewed and downloaded from e-Procurement website <https://eprocure.gov.in/eprocure/app> or **HSWC** website: [www.hwc.org.in](http://www.hwc.org.in).
- iv) Tender must be electronically submitted (on-line at <https://eprocure.gov.in/eprocure/app>) within the prescribed date and time as mentioned in the e-Procurement portal/ as mentioned in the Critical date Sheet. Hard copy of the Tender documents will not be accepted at this stage.
- v) Possession of valid Digital Signature Certificate (DSC) and registration of the consultants/Bidders on the e-procurement/e-tender portal is a prerequisite for e-tendering. The details are available at <https://eprocure.gov.in/eprocure/app>
- vi) Bidder should do the registration in the e-Procurement site using the "Click here to Enroll" option available on the home page. Portal enrolment is generally free of charge. During enrolment/registration, the Bidders should provide the correct/true information including valid email-id. All the correspondence shall be made directly with the Bidders through email-id provided.
- vii) Bidder need to login to the site through their user ID/ password chosen during registration.
- viii) Then the Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by SIFY/TCS/nCode/eMudra or any Certifying Authority recognized by CCA India on eToken/Smart Card, should be registered.
- ix) The DSC that is registered only should be used by the Bidder and should ensure safety of the same.
- x) Bidder may go through the tenders published on the site and download the required tender documents/schedules for the tenders he/she is interested.
- xi) After downloading / getting the tender document/schedules, the Bidder should go through it carefully and then submit the documents as stipulated, otherwise bid will be rejected.

- xii) If there are any clarifications, this may be obtained online through the tender site, or through the contact details. Bidder should take into account the corrigendum published before submitting the bids online.
- xiii) Bidder then logs in to the site through the secured login by giving the user id/ password chosen during registration and then by giving the password of the eToken/Smart Card to access DSC.
- xiv) Bidder selects the tender which he/she is interested in by using the search option & then moves it to the "my tenders" folder.
- xv) From my tender folder, he selects the tender to view all the details indicated.
- xvi) It is construed that the Bidder has read, understood and accepted all the terms and conditions before submitting their offer. Bidder should go through the tender schedules carefully and upload the documents as asked; otherwise, the bid will be rejected.
- xvii) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document/schedule and generally, they can be in PDF/xls/rar/jpg/dwf formats. If there is more than one document, they can be clubbed together and can be provided in the requested format. Each document to be uploaded through online for the tenders should be less than 2 MB. If any document is more than 2MB, it can be reduced through zip/rar and the same can be uploaded, if permitted. Bidders Bid documents may be scanned with minimum 100 dpi with black and white option. However if the file size is less than 1 MB the transaction uploading time will be very fast.
- xviii) If there are any clarifications, this may be obtained through the site or during the pre-bid meeting, if any up to four days before the date of opening of the bid. Bidder should take into account any corrigendum/addendum published from time to time and such modifications will be binding on the bidder notwithstanding whether the Bidder has uploaded his bid document or not.
- xix) The Bidders can upload well in advance, the documents such as certificates; experience certificate etc., under My Space/Other Important Documents option and these can be selected as per tender requirements and then send along with bid documents during bid submission. This will facilitate the bid submission process faster by reducing upload time of bids.
- xx) Bidder should submit the Bid processing Fee/ EMD as specified in the tender in the form of RTGS/NEFT/Fund Transfer in HSWC Account No. ...., IFSC Code: ....., Bank..... Scanned copy of the proof of payment i.e. UTR number/Fund transfer challan should be uploaded as part of the Proof of Payment along with the Technical Bid. While

submitting the bids online, the Bidder should read the terms & conditions and accepts the same to proceed further to submit the bid packets.

- xxi) The Bidder has to digitally sign and upload the required bid documents one by one as indicated. Bidders to note that the very act of using DSC for downloading the bids and uploading their offers shall be deemed to be a confirmation that they have read and accepted all sections and pages of the bid document including General conditions of contract without any exception and have understood the entire document and are clear about the requirements as specified in the tender document.
- xxii) The Bidder has to upload the stipulated documents as indicated in the MTF, failing which the bid will be summarily rejected.
- xxiii) The price bid format is provided in a spread sheet file like Bill of Quantity (BOQ.xls), the rates offered should be entered in the allotted space only and uploaded after filling the relevant columns. The Price Bid/BOQ template shall not be modified/ replaced by the Bidder; else the bid submitted is liable to be rejected for this tender.
- xxiv) The Bidders are requested to submit the bids through online e-tendering system to the Tender Inviting Authority (TIA) well before the bid submission end date & time (as per Server System Clock). The TIA will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the Bidders at the eleventh hour.
- xxv) After the bid submission (i.e. after Clicking "Freeze Bid Submission" in the portal), the acknowledgement number, given by the system should be printed by the Bidder and kept as a record of evidence for online submission of bid for the particular tender and will also act as an entry pass to participate in the bid opening date.
- xxvi) The time settings fixed in the server & displayed at the top of the tender site, will be valid for all actions of requesting, bid submission, bid opening etc., in the e-tender system. The Bidders should follow this time during bid submission.
- xxvii) All the data being entered by the Bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during bid submission & not be viewable by any one until the time of bid opening.
- xxviii) Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener's public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.

- xxix) The confidentiality of the bids is maintained since the secured Socket Layer 128 bit encryption technology is used. Data storage encryption of sensitive fields is done.
- xxx) The Bidder should logout of the tendering system using the normal logout option available at the top right hand corner and not by selecting the (X) exit option in the browser.
- xxxi) For any queries regarding e-tendering process, the Bidders are requested to communicate before opening of the Tender using the contact details as provided in the tender document. Simultaneously, for any further queries related to technical issues, the Bidders are asked to contact over phone: ..... or send a mail over to – ..... Non receipt of response/clarification shall not be a ground for extension of time of bid submission or cancelling the bid process.
- xxxii) The TECHNICAL BIDS will be opened at prescribed time and date as mentioned in the critical date sheet.
- xxxiii) HSWC may at any time prior to the opening of the Tender and for any reason, whether at its own initiative or in response to any on-line query sought by a Bidder modify the Tender document by way of an addendum/corrigendum to the original Tender and such modification will be binding on all Bidders.
- xxxiv) The addendum/ corrigendum would be uploaded on <https://etenders.hry.nic.in> and [www.hwc.org.in](http://www.hwc.org.in). In order to afford the prospective Bidder to take into account the modification or for any other reasons, HSWC may, at its discretion extend the due date for submitting the Tender.
